

VITAL Magazine's Choice for Top Addiction Medicine Doctors

**John Hopper, MD, FAAP,
FACP
Chief Medical Officer
Brighton Hospital**

Certified by: American Society of Addiction Medicine, American Board of Internal Medicine, American Academy of Pediatrics.

Dr. Hopper is a Clinical Associate Professor of Internal Medicine, Pediatrics and Psychiatry and Behavioral Neurosciences at Wayne State University School of Medicine. Dr. Hopper serves on the Editorial Review Board of the "Journal of Opioid Management" and has published articles in several journals. He is listed in the "Guide to America's Top Physicians," has been named one of the "Best Doctors in America" for the past three years and is known nationally as an outstanding medical educator and mentor.

**Michael F. Brooks, DO,
FAOAAM
Director of Psychiatry
Brighton Hospital**

Certified by: American Society of Addiction Medicine, American College of Osteopathic Family Practitioners and American Osteopathic College of Neurologists and Psychiatrists

Dr. Brooks is a consultant for the Michigan Healthcare Professionals Recovery Program. He is actively involved in the education of medical students and health professionals at the University of Michigan Medical School, University of Detroit Mercy College of Health Professions and Wayne State University. He is an expert in dual diagnosis and addiction treatment. Dr. Brooks also is an active speaker on addiction and dual diagnosis.

Brighton Hospital's top physicians are the reason why so many patients bypass other addiction treatment facilities and choose Brighton from among the best in North America.

Our medical staff provides high-quality care using a compassionate and patient-centered approach. Our physicians are certified in addiction medicine treatment and provide care in assessment, hospital treatment, consultation and aftercare follow-up. The medical team works closely with nursing and counseling to provide comprehensive addiction care. We call it a passion for healing. For 30 days of inpatient treatment with these physicians call...
